"Thank you for a great programme! I am a regular listener and I felt like sending you a note to thank you for helping me so much through your programme. I like how you focus on how to deal with the problems we go through."

- from a listener in Palestine

"I would just like to tell you how much the programme means to me. It is good that I can listen to it on the Internet. Since I am often on the road I cannot always listen to the radio, but when I come home I listen to what I missed."

- from a Serbian listener in Austria
