

Prayer Matters

Oral Learners

During February and March we invite you to join us in praying for TWR's ministry among oral learners and (at the weekends) in the UK. You can read more about TWR's work with oral communicators on pages 5-8.

PRAYER DIARY

MONDAYS

Please pray for the vast numbers of **oral communicators who listen** to TWR. Pray that they will hear, grasp and believe and the truths of the Gospel.

TUESDAYS

Please pray for the **One Story project**. Praise the Lord for the partnership TWR has with other agencies, and pray that the story choice and approach will be faithful to Scripture.

WEDNESDAYS

Please pray for the work of **TWR Asia** as they face the huge number of oral communicators in their region. Pray for wisdom, discernment, creativity and faithfulness to the Word of God.

THURSDAYS

Please pray for people using **orality programmes to tackle syncretism** (blended beliefs) in places where confusion about the Gospel is rife. Pray for the Word to be promulgated clearly and effectively.

FRIDAYS

Please pray for the multi-lingual, cross-border **Radio Bible Project**. Pray for those developing new content, and for listeners across the world, that they will have ready access to the Word of God

WEEKENDS

Please pray for the production team as they prepare for new programmes in April. Pray that they will bring the Word of God to the nation.

Please pray for the news and current affairs team. Pray that God will give them the wisdom they need to apply the Gospel prayerfully and consistently to the events in our world.

Prayer is the backbone of TWR – and we are so grateful that **you** stand alongside us in intercession! God delights to change people's lives and we are amazed and humbled that He allows TWR to be a part of it all.
