

# Prayer Matters

## Speaking Hope

From January to March we invite you to join us in praying for **TWR's** ministry in different languages around the world and (at the weekends) in the UK.

### PRAYER DIARY

#### MONDAYS

Pray for the Tamang people of Nepal – for opportunities to hear the Gospel, for funding to broadcast the *Evangelical* radio programme, and maturity of faith among new Christians meeting in media home groups.

#### TUESDAYS

Pray for broadcasts in Mongolia to return to the country's remotes areas; for the *Women of Hope* programme to bless those who are marginalised; strength for the local team; and true understanding among listeners about the deity of Christ.

#### WEDNESDAYS

Pray for the Karakalpak people of Central Asia – especially those facing persecution for their Christian faith. Pray for continued blessing of programmes including *The Way of Righteousness*, *The Christian Home*, and *Springs of Living Water*.

#### THURSDAYS

Pray for the *Men of Courage* programme as it continues to be heard around the world, and as TWR looks to expand broadcasts into Kyrgyzstan. Pray for men who feel isolated and under pressure, that they would encounter Christ in a new way through each episode.

#### FRIDAYS

Continue to pray for all those who connect with us through **TWR360**, as they listen to Bible teaching in their own heart languages. Pray for the sermon podcasts, the *JESUS* film, the audio Bible, and other content streamed in 140 languages via this vital online source.

#### WEEKENDS

##### **Please pray for TWR's ongoing work in the UK.**

Pray for new UK programmes *Leading the Way* and *The Same Commission* as they are broadcast from this month.

Join us in praying for our listeners and those seeking the station via new platforms. We think especially of new Christians being blessed by God's Word for the first time.

**Prayer is the backbone of TWR** – and we are so grateful that **you** stand alongside us in intercession! God delights to change people's lives and we are amazed and humbled that He allows TWR to be a part of it all.
