

# Prayer Matters

## Silk Road

During October and November we invite you to join us in praying for the ministry here in the UK and (at the weekends) TWR's Silk Road Project. You can read more about the transmitter project on pages 3-4 of *Listening World*.

### PRAYER DIARY

#### MONDAYS

Please pray for the production team, that they have **wisdom and creativity** in bringing the Word to the World.

#### TUESDAYS

Please pray for the **office** staff and their contributions to the ministry. Please pray especially for those who speak with listeners that they have **clarity and grace** in all their conversations.

#### WEDNESDAYS

Please join us in praying for our **listeners**, especially those who are isolated or housebound. Please pray that the Word will be **powerful and effective** in their lives.

#### THURSDAYS

Please pray for the **technical** team who ensure that the programmes make it to broadcast. Please pray that they **know God's power** in their daily tasks.

#### FRIDAYS

Please pray for our **CEO Russell Farnworth and the Board of Trustees** as they shepherd the ministry of TWR in the UK. Please pray for **vision and Gospel passion** as they make decisions.

#### WEEKENDS

Please pray for the Silk Road Project. Praise God for the impact the ministry has had in the region in recent years and ask that He will **continue to expand His kingdom** in that part of the world.

Please pray for the **global fundraising effort**, that enough money will be forthcoming that the project will launch successfully.

**Prayer is the backbone of TWR** – and we are so grateful that **you** stand alongside us in intercession! God delights to change people's lives and we are amazed and humbled that He allows TWR to be a part of it all.
